

SAVE OUR FARMS VOTER ALERT

Do you care about protecting private property rights and local farmland? See which candidates **DO NOT** share our values and have signed the “Now or Neverglades Declaration” to take farmland.

The Declaration has been propagated by bought-and-paid for activists **who urge the government to take agricultural land away from private owners**. Many concerned Floridians have asked us for a voter guide. While we are not making recommendations on which candidates to support, we believe it is important to know who is actively supporting taking private farmland.

The individuals below have signed the pledge to take away our productive farmland. They are listed by office and district. If you are not sure what district you live in, you can find out here: <http://bit.ly/2cQ4F6U>. Please share this with your friends and family to let them know which potential leaders place little value on farmers.
